## BioLab- Virtual Frog Lab

### Instructions:

**Step 1:** Start by clicking external section. As you work through the sections of the frog, you will be asked to review features/functions, reverse the dissection process (put the parts back in the PROPER location), and/or answer questions. **You have 1 hour to complete all sections!**

**Step 2:** A prompt stating **REPEAT** or **OK** appears with a score at the completion of each task

**Step 3:** Either try-again (once) or take the grade...BEFORE clicking OK write score into data table and have Mr. Brunet sign your data table

**Step 4:** Repeat steps 1-3 for mouth, digestive, circulatory, reproductive, skeletal, and test

**Step 5:** Your grade will be the average of all sections.

Data Table:

	External	Mouth	Digestive	Circulatory	Reproductive	Skeletal	TEST
Grade							
Initials							

Overall Grade (average the above grades)
